

Attention All Artists!

Because of decontamination procedures involving all U.S. Postal Service mail at the Brentwood Postal Station in Washington, DC, all art entries should be sent to the Federal Duck Stamp Office via other overnight delivery companies.

This is a warning! *Products sent through the decontamination process will be altered and yellowed. Also because of this process, mail addressed to the Federal Duck Stamp Office is arriving months behind schedule.*

Note new contest entry receipt dates: July 1 – August 31, date stamped no later than midnight. Contest dates will be October 15-17, 2002.
